

Yu Miao Newsletter

Oct.3, 2007

Dear Parent(s),

First of all we would like to welcome you and your child to join our Yu Miao family. We believe you and your child have a wonderful time and a great experience with our school since September.

We thank you for all your support in the Back to School Nite and Ice cream Social. It is always a good occasion to meet other parents when we first started the new term and we enjoyed the potluck too.

Our 2007-08 Parents' Handbook, school year calendar and daily class schedule have been distributed to each of you for your reference. Please read it, keep it handy and prepare for the coming events. We will keep you informed through this monthly newsletter, email or school notice, so please check your mail box at school and your email frequently.

Below are some reminders which need your attention:

1. Sign in and pick up: All parents please remember to sign in and out and please observe the time promptly to avoid your child being frightened by late pick up.
2. Consent form: Please hand in your consent form quickly because without your consent, we can't send out student directory which is very useful for the communication among parents.
3. Clothing & shoes: Please make sure the girls wear shorts or tights under the dress and tennis shoes with white sole are preferred for all children because they go to the gym nearly everyday when winter comes.
4. Field Trip: Please try your best to take a morning off so that you can enjoy the pumpkin patch with your child. Your participation means so much to your child. They see your love through the time that you spend with them.

Teacher Sunny in P1 has some family emergency and needs to go back to Taiwan for a while. We are happy that Teacher Xie is coming to help us, she has a BA in Chinese Language and Literature from Nanjing University and is good at arts and crafts. Teacher Yang came from Shen Zhen, China, she had many years experience working with preschool kids back in China and will serve as an assistant in P1 & P2 classrooms too. We hope the new combination team will serve our students best.

Below are some email addresses which you may find useful, please feel free to email the teachers or me if you have any questions or concern.
