control on it. Students can renew new pieces from times to times.

From each student assigned assignment, the teacher will guide and analyze each individual work so that every student will accelerate to a higher learning level.

Theme of Study and method:

Base on the requirement from students, we will choose one style and analyze brush work, practice it smoothly and arrive in the level of not only the form look like that particular style but also retain its spirit. For the beginner, teacher will start from the basic knowledge, shown each student with a demonstrate piece, student will imitate this copy until they gain

Tao of Calligraphy
