Yu Miao Newsletter

April , 2018

Dear Parents,

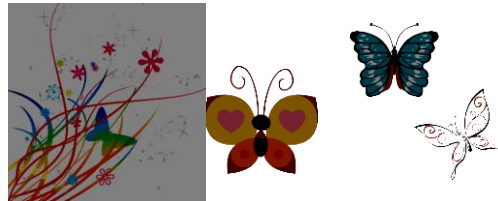

This year, all children in P2 who will be age 5 by September are graduating. All children in P1 who will be age 4 by September will move up to P2. An application form for graduation will be given out soon. Since many schools require students to register as early as April to confirm their enrollment, we will have to do the same in order to give our applicants the opportunity of prior choice. We, therefore, ask returning P1 students to register by May 1st, so that we can release the vacant spaces to the new students to register. All P1 parents must register your child by May 1st in order to secure your child's space for the 2018-2019 school year.

As to the registration, please fill out a new enrolment form (that you can find close to the office), and pay \$100 annual registration fee and \$125 supplies fee. This is non-refundable. For those who prefer the two-payment method will continue to enjoy the 5% discount, please do so before July 1st. Then you do not have to worry about the payment until 2019.

Summer Camp

There are 2 age groups (3-4 & 5-7) with different themes in 10 weekly sessions. All current regular students in both P1 and P2 classes who will continue to pay the monthly tuition from June to August are eligible to join our entire summer program (from 6/18 to 8/24). Those who will stop paying in July need to sign up for the specific sessions they need. You can find the information and application form for Summer Camp near office. Please also help us to promote the program to your neighbors and friends. Please remember the due date for early bird is April 13th (Fri) as there is a discount for early bird as well as for sibling registration and registration for 4 sessions or more.

Yours Sincerely,

Terry
